Delay in Programme Implementation

1008. SHRI V. NARAYANASAMY: Will the Minister of PROGRAMME IMPLEMENTATION be pleased to state:

(a) whether it is a fact that at the first national meet on Programme Implementation it was suggested that the delay in implementation of the project was due to changes in project contents even after their finalisation;

(b) whether it is also a fact that the managerial slackness, under utilisation of capacity and non-accountability of the managerial persons have led to poor performance in the public sector undertakings; and

(c) if so, what are the new norms suggested in the meeting for quick implementation of the projects and also for avoiding the escalation of costs in the implementation of the project?

THE MINISTER OF PROGRAMME IMPLEMENTATION (SHRI A. B. A. GHANI KHAN CHOUDHURY): (a) Yes, Sir. In the National Workshop on Project Implementation it was suggested that changes in the project scopes after their finalisation has also contributed to the delay in the project implementation.

(b) The Workshop had not considered the issue of overall performance of public sector undertakings, but had limited its deliberations to only problems faced in project implementaiton.

(c) The Workshop did not suggest any such norms.
